School Uniform

Dear Parents and Carers,

As we start 2026, we are looking at improving the consistency of wearing school uniform. We take pride in maintaining high standards, and our school uniform plays an important role in promoting equality, a sense of belonging, and readiness for learning.

Recently, we have noticed that a small number of children are not wearing the correct uniform. This includes items such as trainers, inappropriate headwear that is not part of the school uniform, and nail varnish. We kindly ask for your support in ensuring that all pupils adhere to the uniform policy (This can be found on the school website).

To give families sufficient time to make any necessary adjustments, we will be carrying out a **school uniform check on Monday, 19th January**. This allows two full weekends for you to ensure your child is dressed appropriately for school.

After this date, if a child is still not in the correct uniform, we will contact parents and ask that the correct attire be brought into school for them on that day.

Thank you for your continued support in upholding the standards that make our school a positive and respectful environment for all.

Yours sincerely,
Mr Proctor

Headteacher
